

# 17th IBEC SYMPOSIUM

BIOENGINEERING FOR  
EMERGENT AND ADVANCED  
THERAPIES

#IBECSymposium

08:00 – 09:00	<b>Registration</b>
09:00 – 09:15	<b>Opening ceremony</b>
09:15 – 09:45	Director's presentation <b>Josep Samitier, Director IBEC</b>
09:45 – 10:20	Invited Speaker:  Bio fabrication and Biosensors: Monitoring and Guiding Regeneration in bone and cartilage <b>Valentina Basoli · <i>Biomedical Engineering Department, Basel University</i></b>
10:20 – 10:50	<b>Thematic Networks Presentation</b>
10:50 – 11:35	<b>Coffee break</b>
11:35 – 12:10	Invited Speaker 2:  Strategies to Promote Cancer Nanomedicine Performance and Clinical Translation <b>Twan Lammers · <i>Aachen University</i></b>
12:10 – 13:10	<b>Flash presentations. Session 1 (10 presentations)</b>
13:10 – 13:30	Alumni session:  Bridging the gap: from PhD to pharma industry <b>Veronica Hortigüela · <i>Manufacturing Area in pharma industry, Spain</i></b>

13:30 – 13:40	<b>Group picture</b>
13:40 – 15:00	<b>Lunch break</b>
15:00 – 15:25	<b>Third Severo Ochoa Award Recognition</b>
15:25 – 16:25	<b>Flash presentation. Session 2 (10 presentation)</b>
16:25 – 17:00	<p>Invited Speaker 3:</p> <p>Microphysiological systems mimicking human tissue barriers for the discovery of new drug delivery strategies</p> <p><b>Tae-Eun Park · Department of Biomedical Engineering at UNIST</b></p>
17:00 – 17:10	<p><i>PhD Committee</i></p> <p><b>Inés Macías · Smart Nano-Bio-Devices · IBEC</b></p>
17:10 – 17:20	<p><i>Postdoc Committee</i></p> <p><b>Guillermo Martínez · Integrative Cell and Tissue Dynamics · IBEC</b></p>
17:20 – 17:30	<b>Awards and closing ceremony</b>
